Dear [redacted]

The corrected transcript has arrived safely and the revisions and additions have been duly recorded. This, I trust, should be the last time I need to bother you.

Again, many thanks for your help with this. I feel certain our history will be the more accurate because of your willingness to give us your time. And as I believe I said before, I thoroughly enjoyed our session together.

I'm off next Wednesday to see our Texas friend.

The very best to you for 1985.

Sincerely,

*[Signature]*
